Effective November 1, 2017

Clark Liquor Brokerage, LLC is pleased to announce the Texas arrival of the Pickering's Gin portfolio.

The Summerhall Distillery is Edinburgh's first dedicated Gin distillery in over 150 years. It was established in 2013 at a former veterinary school and animal hospital, known as the "Old Royal Dick".

The Gin's are based on a recipe written on a scrap of paper in 1947. They are bottled at 42% abv for the Original and 1947 versions and at 57.1% abv for the Navy Strength. The Pickering's Navy Strength Gin is the official gin of The Royal Edinburgh Military Tattoo, held during the annual Edinburgh International Festival.

All types are available in 750ml glass bottles.

Pickering's Gin is imported by Quest Brands, Inc. of Chattanooga, TN and distributed in Texas exclusively by United Wine & Spirits of Houston.
